Summer Semester 2024

Appeals Procedures

See the [Code of Student Rights and Responsibilities](#), located in the [General Catalog](#).

Appeals of Grades and other Academic Actions

If a student believes that an academic action is arbitrary or capricious, they should discuss the action with the involved faculty member and attempt to resolve. If unable to resolve, the student may appeal the action in accordance with the following procedure:

1. Appeal to Department Chair (in writing) within 40 business days; chair must notify student of a decision within 15 days. If faculty member or student disagrees with decision, then,
2. Appeal to Academic Appeals Committee (see <https://www.price.utah.edu/students/academic-affairs/academic-appeals> for members of committee). See II Section D, Code of Student Rights and Responsibilities for details on Academic Appeals Committee hearings.

Americans with Disabilities Act (ADA)

The University of Utah seeks to provide equal access to its programs, services, and activities for people with disabilities. If you need accommodations in a class, reasonable prior notice needs to be given to the instructor and to the Center for Disability & Access, Olpin Student Union, Room 162, 801-581-5020 (V/TDD) to make arrangements for accommodations. All written information in a course can be made available in alternative format with prior notification to the Center for Disability & Access.

Adding Classes-Full Term

Please read carefully: All classes must be added by the add/drop deadline: Wednesday, May 22, 2024. Late adds will be allowed May 23-31, requiring only the instructor's signature. Any request to add a class after the census deadline will require signatures from the instructor, department, and Dean, and need to be accompanied by a petition letter to the Dean's office.

A \$50 FEE WILL BE ASSESSED BY THE REGISTRAR'S OFFICE FOR ADDING CLASSES AFTER THE CENSUS DEADLINE ***

****Before you elect to take a class CR/NC you should check with your Advisor. Core classes used to compute your Engineering GPA need letter grades.

Withdrawal Procedures

For more, see the [Withdrawal Policy](#) and information on [Drop Deadlines](#) provided by the Office of the Registrar ** Please note the difference between the terms "drop" and "withdraw". Drop implies that the student will not be held financially responsible, and a "W" will not be listed on the transcript. Withdraw means that a "W" will appear on the student's transcript and tuition will be charged. **

Drop Period for Full Term Classes– No Penalty

Students may DROP any class without penalty or permission up until Wednesday, May 22, 2024.

Withdrawal from Full Term Length Classes

Students may WITHDRAW from classes without petition until **Friday, June 21, 2024**. Beginning May 23 until June 21, a "W" will appear on the transcript AND **tuition will be charged**. Refer to Class Schedule, Tuition and Fees for tuition information.

Drop/Withdrawal from Session I & Session II

Visit the academic calendar for more detail.

<https://registrar.utah.edu/academic-calendars/summer2024.php>

Withdrawals for term length classes after June 21 will only be granted due to compelling, nonacademic emergencies. A petition and supporting documentation must be submitted to the Dean's Office, 1704 Warnock Engineering Building. Petitions must be received before the last day of classes (**July 31, 2024**).

Repeating Courses

When a Price College of Engineering class is taken more than once, only the grade for the second attempt is counted. Grades of **W, I, or V** on the student's record count as having taken the class. Departments enforce these guidelines for other courses as well (e.g., math, physics biology, chemistry). Attempts of courses taken at transfer institutions count as one attempt. This means a student may take the course only one time at the University of Utah. Courses taken at the University of Utah may not be taken a second time at another institution. If a second attempt is needed, it must be at the University of Utah. Please work with your department advisor to determine the value of repeating courses. Students should note that anyone who takes a required class twice and does not have a satisfactory grade the second time may not be able to graduate. It is the responsibility of the student to work with the department of their major to determine how this policy applies in extenuating circumstances.
